

About Us

Paramount Interiors is a drywall and metal stud framing company with decades of collective leadership experience in high-quality construction. Our team excels in transforming residential and commercial sites with expert craftsmanship and a commitment to quality. We achieve exceptional results through precision and a skilled, unionized workforce across Northern California. Licensed, insured, and bonded with certificates in hand, we approach each of our client's projects with accountability from the bid stage through completion.

Our Mission

Start to Finish Excellence: Our success is measured from the start to the completion of every project.
